CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Sri Devaraj Institute of Management is affiliated to Bangalore University, Bengaluru and hence adheres to the syllabi of Bangalore University for all the courses. The institution meticulously plans and implements the transaction of the prescribed curriculum. It offers self-financing programs in the fields of Commerce (B.Com.), Management (BBA), Science (B.Sc. in Physics, Mathematics & Computer Science), for effective implementation of the curriculum and documentation, following measures are adopted:

- At the beginning of each academic year, Internal Quality Assurance Cell (IQAC) of the institution consolidates the action plans of all the departments and prepares an Academic Year Planner in line with the academic calendar issued by Bangalore University.
- Making provisions for heterogeneity of the class, teachers prepare Lesson/Teaching Plans for each subject by unitizing the syllabus. However, to prove it feasible, due emphasis is laid on procuring the necessary teaching materials and other support resources like books in the library, equipment's in laboratory, ICT media, e-resources, etc.
- Furthermore, to cater to the needs of average/modest learners, Induction/Orientation Programs and Bridge Courses are run at the entry level to ascertain that the students start the learning process with a firm footing. Rigorous planning is done for comprehensive transact of the curriculum by giving assignments, conducting unit, surprise, internal tests, and preparatory examination to map out the academic enrichment of students.
- More importantly, teaching is strongly oriented to complementing the best educational policies with the conceptual and activity- based methods.

Institution follows both traditional and innovative ICT enabled teaching strategies bearing students' employability factor in mind. Introduction of innovative programs and skill development initiatives has reflected in profound holistic development of students. The institution conducts Certificate/Diploma programs that carry transferable and life skills over to its students. In the similar fashion, a range of subjects related certificate and PG diploma courses are conducted for the students of commerce stream.

- Head of the institution reviews curriculum progression in person and discusses it with faculty members in periodic meetings to figure out and fix the concerned issues. This guarantees the smooth functioning of ongoing academic pursuits of the Institute.
- Involvement comes in handy when dealing with practical matters.

Students are encouraged to take up projects, participate in in-house seminars and carry out case studies and surveys. It is pertinent to say that this skill based initiation has reflected desired improvement in academic performance of students. The institution puts strategic planning into practice to advance academic performance and conducted remedial classes and tutorials. As a result, considerable improvement in passing percentage is observed. Notably, 15 students have scored centum in subjects like Methods and Techniques for Business Decisions, Quantitative Analysis for Business Decisions - I, Quantitative Analysis for Business Decisions - II, Financial Accounting, Advanced Financial Accounting, Corporate Accounting, Advanced Corporate Accounting, Financial Management.

Feedback Obtained
<p>Institution obtains feedback after end of the academic year from various stakeholders viz. Students, Teachers, Employers, Alumni and Parents. This initiation has been guiding to revise and enhance quality process of institution from time to time. It is observed that students have expressed concern about the introduction of more number of employment related add-on and Certificate courses. They also articulated a need for focus on enhancement and enrichment of their language proficiency. Owing to this growing concern, Institution introduced soft skills courses and club activities to develop their proficiency in communication. Students also observed that the existing curriculum partially helps them in gaining employability skills. This is the reason why institution has introduced various Certificate courses like Tally ERP9, IT and ITES Training, Advanced Excel, Financial Analytics Aptitude and Soft Skills and J2EE with JSP. It has given a good yield and enhanced the confidence among students. Principal and faculty members interact with the students on various occasions to know the grievances and suggestions for overall development of the institution and issues are addressed immediately. Feedback is collected from parents during parent teachers meet. The main observation is to improve soft skills of their wards. As a result, institution decided to explore and harness skills of students through club activities. During the meet, parents also expressed concern about extending bus facility within Doddaballapur suburban area and the same was addressed. Feedback is obtained from alumni during alumni meet. It is observed that there is a considerable gap between curriculum and industry expectations, taking this into account, institution organizes guest lecturers by inviting experts from leading industries. Placement Cell of the institution conducts programs to prepare students for recruitments.</p>

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The Institution strikes a sound balance between the academic progress of students and respective teachers concern for the same. Such a healthy practice, it is believed, upholds academic integrity as well as mutual give-and-take of knowledge between the mentor and mentee. Outcomes of this are: enhancement of the teaching learning process, acceleration of students academic performance and overall transparency of the academic transaction. How it works A unique system to go about the aforementioned objectives is in place in the Institute. In the beginning of the academic year, the Institution earmarks one heterogeneous group of students to each of its faculty members. Later, every mentor interacts with the particular group of mentees twice in a semester. Concomitantly, students' performance in the University exams has been found ameliorated to a great extent in the recent years. During each meet, the mentor collects the academic profile and graph of progress of the students based on which he/she notifies the concerns and dark spaces of mentees. Finally, he/she draws to it the attention of the concerned subject teacher. These are presently addressed and given due attention by the latter to come up with a feasible solution. Responsibilities of Mentors, • Mentor encourages the mentees to open up on the matters of priority or concern • He/she monitors their academic progress and communicates the requirement of remedial and tutorial classes to the Management, if applicable • Mentor ensures need based academic, career and psychological counselling, as and when needed • Mentor works as a bridge between department(s), teacher(s) and students • They, furthermore, interact with the parents frequently
